West Lake folks:

Effective November 3, 2014, I will no longer be the EPA Remedial Project Manager for the West Lake Landfill site. I've gotten another position within Region 7 and am looking forward to the change of pace.

Brad Vann will be the new RPM for the site. He can be reached at [913-551-7611](tel:913-551-7611), or at [vann.bradley@epa.gov](mailto:vann.bradley@epa.gov). His mailing address is the same as mine.

Please change your contact lists, mailing lists, e-mail distribution lists, etc. to add Brad's information and remove mine.

Sincerely,

Daniel R. Gravatt, PG
